Discussion regarding the Indian Head Park Comprehensive Plan update:

Chairman Schermerhorn began the Comprehensive Plan update discussion by explaining that the Village of Indian Head Park Planning and Zoning

Commission meeting will be a working meeting as the Commission discusses

proposed enhancements to the Village of Indian Head Park Comprehensive plan, which is intended to define and describe our community to those who may have an interest in our Village. Chairman Schermerhorn suggested that Commissioner Tantillo lead the discussion by explaining the format he has incorporated in the revision of the Comprehensive Plan update. Chairman Schermerhorn added that once the revision of the Comprehensive Plan was complete, they would submit the plan to Trustee Amy Wittenberg to have her associates graphically enhance.

Commissioner Tantillo began the discussion by navigating through the plan and the enhancements which were submitted by the Commission and Trustee Wittenberg. The Commissioners added their suggestions, revisions and comments as they read through the Plan. The discussion ensued as the Commission read through the Comprehensive Plan. Commissioner Tantillo concluded the discussion by directing the Commissioners to send him any
